Public Remarks: **Incredible opportunity to build a wide range of projects on this 41+ acre site. Currently the majority is zoned commercial with approximately 10 acres zoned residential. This high and dry site is ideal for a wide range of uses from medical, recreational, shopping to multi level housing, a wedding destination with cottages. Municipal approval required, yet a large, site ready parcel is hard to find. Whether you are looking to capitalize on the Micron opportunity or seeking that choice location for your business or high density housing project. This choice property stands out with easy commutes to both the Syracuse and Utica markets. Minutes from I-90 and fronting a Rt 5 (major road) former golf course with a tranquil/ serene setting offering more than your typical commercial type offering. Come see what CNY has to offer.**
